Thank you for requesting a precinct election official application. Iowa State Law requires precinct election officials to be a registered voter of the county. If your services are requested for an election you will be notified by mail and a postcard response form will be included for you to return to us as confirmation that you will be able to work and attend a school of instruction.

Election officials are selected based on availability and location of our needs. Preference must be given to residents of the precinct, if we are unable to hire enough workers for a precinct then applicants who indicate they would work anywhere or work in the Ward, will be given priority. For partisan elections, preference must be given to any workers who were designated by a county political party chairperson. Election officials earn \$10.00 per hour and .5450 cents per mile. Election Officials are required to sign a Confidentiality Notice and Agreement.

All precinct officials are required to work one hour before the polls open and until the polls close, usually 6 a.m. to 9:30 p.m. Election officials are required to be at the polling site for the duration of the election.

What do election officials do?

Election officials administer the voting process at the polls, assuring privacy and accuracy.

This includes:

- ❖ Setting up the polls for voting and closing the polls at the end of voting.
- ❖ Give voters proper instruction for voting.
- ❖ Checking the voter's eligibility to vote.
- ❖ Alphabetizing eligibility slips.
- ❖ Distributing ballots to voters.
