

# How to get started?

Call 563.328.4114

Iowa's Maternal Health Programs work to make sure more babies can celebrate their first birthday (prevent infant mortality) and improve birth outcomes. This is done through family centered, community based services. IDPH Title V Maternal Health Clinics provide preventive health services to Medicaid eligible and other low income women.

## Services provided at:

### CHC-Edgerton

## What if I don't have healthcare coverage?

During your appointment, the Maternal Health Staff can help you apply for Medicaid benefits and/or presumptive Medicaid determination (immediate coverage for medical expenses)

Call 563.328.4114  
to enroll

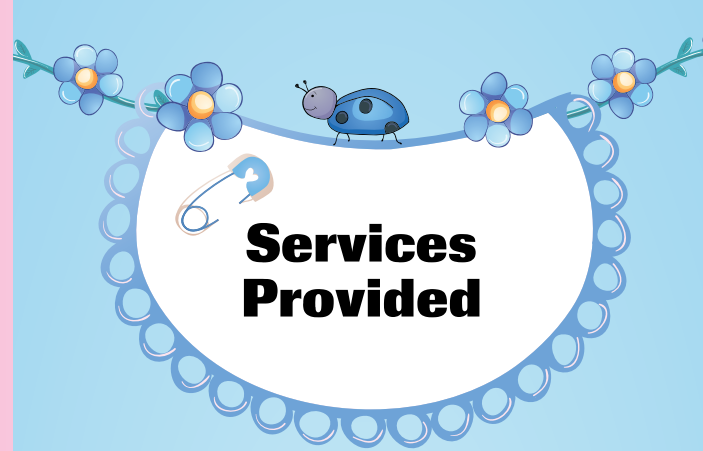

## Who's eligible for Medicaid?

You may be eligible for Medicaid even if you currently have private insurance. Medicaid pays other expenses that your private insurance may not cover.

Medicaid also covers pregnant women up to 375% of the Federal Poverty Level—that's up to \$98,250 a year for a family of four!

The Maternal Health Staff is available to answer any questions or assist in filling out the required paperwork.

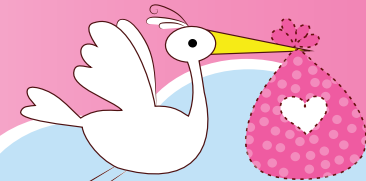

## Services Provided
