Introduction	2
1.) Why is the Immunization Audit done?	2
2.) Who is responsible for preparing the Certificate of Immunization, Certificate of Provisional Enrollment, or the Medical or Religious Exemptions for audit?	2
3.) Who conducts the audit and when?	2
4.) When conducting school immunization audits do all student records need to be reviewed every year?	3
5.) If a child transfers from an Iowa school to another Iowa school, does their immunization record need to be re-audited?	3
6.) What does the auditor need from you?	3
7.) What happens on the day of the audit?	3
8.) What happens after the audit?	4
9.) What is a Certificate of Immunization required to have on it?	4
10.) What is a Provisional Certificate required to have on it?	4
11.) What is a Religious Exemption required to have on it?	5
12.) What is a Medical Exemption required to have on it?	6
13.) What happens during a disease outbreak? (i.e. Pertussis, Mumps, etc.)	6
14.) What about Homeless Children?	6
15.) Do immunization records of a child that receives Competent Private Instruction (CPI) or Independent Private Instruction (IPI) need to be audited?	7
16.) What are the required immunizations for a Child Care Center, Preschool or Pre-Kindergarten?	7
17.) What are the required immunizations for children enrolled in K-12th grades?	7
18.) If school-age children attend an after-school daycare/childcare program, does the daycare need to have an immunization record on file?	8

19.) What if a vaccine is given too early? (For example, MMR/Varicella given prior to 12 months of age)	8
20.) If a student already has a valid Medical or Religious Certificate of Immunization Exemption on file, will an updated certificate of exemption need to be completed for the 7th grade Tdap and 7th and 12th grade meningococcal vaccine requirement?	8
21.) What is the Tdap vaccine requirement?	8
22.) What if a child does not have proof of Tdap vaccine before school starts?	8
23.) If a child received a dose of DTaP or Tdap on or after their 7th birthday, does this count toward the 7th grade school entry Tdap requirement?	9
24.) What is the meningococcal vaccine requirement for secondary school?	9
25.) What are examples of certificates that are invalid/incomplete/not acceptable?	9
26.) Where do I find copies of the Certificates of Immunization, Religious or Medical Exemptions, and Provisional Certificates?	9
27.) What does the stamp on the Certificate of Immunization mean?	9
28.) Who can share immunization information?	10
29.) What is IRIS?	10
30.) What are some other resources I might use/need?	10
