

Color Create-It Kits: Yellow Week

These kits are provided at all Scott County Library branches while supplies last. If you were unable to pick up a kit, create your own at-home version using these instructions.

Pineapple Light

Ages
Kids 7+,
Teen &
Adult

You will need:

- glass jar with lid
- yellow tissue paper
- green tissue paper
- tape
- black marker
- clear drying glue
- scissors
- LED tea light

1. Cut your yellow tissue paper into small squares.
2. Use clear drying glue on the squares to attach around the entire interior of the jar.
3. Cut and twist your green tissue paper so it resembles leaves. Tape to lid.
4. Turn on and insert tea light into jar. Replace lid.
5. Add black lines for texture if desired.

Felt Ice Cream Cones

Ages
Kids 7+,
Teen &
Adult

You will need:

- yellow cardstock (about 7 x 4 in)
- felt square (about 6 x 6 in)
- Styrofoam ball (about 1.5 in diameter)
- rubber band
- scissors
- glue and/or tape

1. Shape 1 piece of cardstock into a cone. Use glue or tape to secure the edges.
2. Trim the top part of the cone to make the edges uniform.
3. Place one ball in the center of a felt square.
4. Fold the felt inwards to cover the ball. Secure the ends with a rubber band.
5. Cut the bottom of the felt to make the ends shorter and to make it look more like a small circle when folded outwards.
6. Apply glue inside the cone and on the bottom of the flared felt.
7. Insert the felt ball into the cone and push to make sure it stays in place. Place it so that the flare at the bottom comes outside.

Color Create-It Kits: Yellow Week page 2

These kits are provided at all Scott County Library branches while supplies last. If you were unable to pick up a kit, create your own at-home version using these instructions.

Bubble Wrap Painting

Ages
Kids 2-7

You will need:

- white cardstock
- yellow paint
- green paint
- black or brown marker
- 2 small pieces of bubble wrap

1. Draw a pineapple shape onto cardstock. Cut out.
2. Dip one piece of bubble wrap into your yellow paint. Press onto and cover the base of your pineapple shape.
3. Dip one piece of bubble wrap into your green paint. Press onto and cover the leaves of your pineapple.
4. Once the paint is dry, use your marker to add dots to the yellow part of your pineapple.
5. You're done!

Dandelion Vase

Ages
Kids 2-7

You will need:

- thin piece of cardboard
- black sharpie
- pen
- markers
- dandelions or other flowers

1. Draw a simple vase onto the cardboard. Leave a few inches at the top of the cardboard.
2. Decorate vase with markers or crayons.
3. Have an adult help punch small holes above the vase with a pen/pencil.
4. Use dandelions or flowers you have gathered and slide the stems through the holes.

Turn this activity into a fun outside experience--explore your backyard, walk around the neighborhood, or visit a nearby park or trail to gather dandelions or other flowers.
