If you are an individual in need of assistance with temporary home repairs, or needing help removing debris, AmeriCorps may be able to help! AmeriCorps teams will be assisting with removing trees and brush, chainsaw work, and helping tarp and secure homes with damage caused by the Derecho. **For language assistance, call the Multi Language Line at 1-877-558-2609. Individuals must call no later than October 5, 2020.**

Volunteer Iowa can help by:

- Deploying AmeriCorps members to provide disaster response assistance
- Connect with a network of partners in other states and at the federal level who can provide support
- Provide technical assistance and connections to resources for coordinating volunteers in times of disaster
