Response to Written Questions

Request for Application RFA-64165-200122

Transportation Services for Scott County Medical Examiner's Office

In cases of inclement weather what are the expectation?

The County does not expect the driver to be on the road during hazardous driving conditions as the safety of the driver is the utmost importance. The County does expect if the decision is made not to transport, that the transportation service keeps the County Medical Examiner informed of the decision.

Can the county advise as to what they are currently paying?

Due to recent changes in Iowa Code, the current RFA cost calculation has been updated for this application. The current reimbursement for a roundtrip transport to Ankeny is \$706.20 and Iowa City is \$290.32.

Are transports ever scheduled on holidays?

Transports are not routinely scheduled on holidays but there can be a rare occasion where a transport is needed due to an unusual, critical, timely circumstance.
