Who is entitled to the record? Entitled persons include the person named on the record or that person's spouse, children, parents listed on record, grandparents, grandchildren, siblings, or legal representative or guardian. Proof of entitlement must be provided. Additional documentation to prove entitlement may be requested by the state or county office.

What is the fee? The fee for a certified copy of a vital record in Iowa is \$20 each. Fees are payable in U.S. funds by cash or money order to the issuing registrar's office. Fees must be paid at the time of the application. **The Bureau of Health Statistics does not accept cash.**

What is the process to exchange small wallet-sized birth cards? Any pink/blue wallet-sized birth certificates issued between May 1993 and October 2009 can be exchanged for no fee. Follow all instructions above for applying for a vital record in Iowa. The original pink/blue wallet birth certificate may be returned along with a completed application and proof of ID (current government-issued photo identification) to any issuing office in Iowa. If the wallet sized birth certificate is not surrendered, applications must be sent to the state office.

What if the order is not received in the mail? Most certificate requests are processed and mailed within approximately 4–6 weeks after we receive your completed application.

If you have not received your certificate 30 days after it was mailed, you may complete an Affidavit of Non-Receipt to request a replacement. Because customers do not always know the exact mailing date, you may contact the office that issued your certificate to confirm whether it has been mailed.

Please note:

- The affidavit can be completed between 30 and 90 days from the date the certificate was issued.
- Replacement certificates cannot be issued at no fee after 90 days.
- Replacement or re-issuance must occur through the office that originally issued the certificate.
