

food rescue workshop

Professional food establishments and retail food store owners, managers, and chefs:

WASTED FOOD IS WASTED MONEY AND RESOURCES.

Learn from industry experts and local Quad Citizens about how area establishments are rescuing food to reduce costs and see potential tax advantages by keeping food out of the landfill through reduction, donation, feeding animals, and composting!

october 4, 2018
2:00 - 4:30 p.m.
