Notice of Public Meetings

For presentation of the working draft of the proposed Revised Zoning Ordinance
and to give an Opportunity for Public Comment

The Scott County Planning and Zoning Commission has scheduled a series of five public meeting to present the working draft of the proposed revised Zoning Ordinance for Unincorporated Scott County and to provide opportunity for anyone to comment on those revisions.

The agendas for these presentations will include information on the Scott County Comprehensive Plan and its role in initiating these proposed revisions. The Zoning Ordinance revisions that are proposed in conjunction with amendments to the Comprehensive Plan will also be presented.

For the last year, the Planning Commission has held a series of monthly work sessions to review the entire Zoning Ordinance in order to consider revisions, to reorganize and to clarify provisions of the ordinance.

Following this series of public meetings the Planning Commission will hold a public hearing before acting on a recommendation to the Board of Supervisors. The Board of Supervisors would also hold a Public Hearing on the Planning Commission’s recommendation before acting on the Ordinance. The final action on any ordinance revisions will be made by the Scott County Board of Supervisors.

The schedule giving the dates, times and locations of the five workshops is below. For additional information or any question please call Timothy Huey at Scott County Planning and Development 563-326-8643.
